

TxDOT/HAS Dimond Knoll Screening Project – July 20, 2013  
Bulletin #15

Photos this week by John Rich and Lenore Psencik.

Thanks so much Y'all!

It finally rained at the screening site and softened the dirt which was getting rock hard!

Chance Zipprian recovering his first artifact.

Artifacts and diagnostic points recovered during screening July 13 and July 20

Our newest screener, Caitlyn Sellers, works with Kathleen Hughes. Welcome, Caitlyn!

That horse is in love with Lenore. She thinks it may be because she fed it snacks earlier in the day! It followed her around and nibbled her neck all day!
