

## October Program Features Flem Rogers on Confederate Arms

Flem Rogers, a nationally recognized gun historian and popular lecturer at HAS, will present a program on Thursday, October 21, on "How the Confederacy Armed Itself." In this talk, Mr. Rogers will examine how the Confederate States of America acquired and armed its military. The lecture will be highlighted by an exhibit of arms on loan for the presentation.

**Different time and location:** This meeting will start at **7:30 pm** on October 21. The location is the **Doherty Library (Bldg 22); room 009** (basement) on the campus of the University Of St. Thomas. A campus map can be found at [www.stthom.org](http://www.stthom.org).

Flem Rogers is the owner/operator of Flem Rogers Photography.

He has a long history of working with period weapons, specializing in pre-cartridge materials. Mr. Rogers (right, in 1836 period costume) shows his devotion to history by working with several historic groups in his home in Brazoria County, and by using living history as a means of educating and entertaining those who have an interest in weapons of the past. He is a member of the American Society of Arms Collectors.

## October is Texas History Month

Our special program this month is being held in conjunction with Texas History Month, along with programs and events all over Texas. Our meeting has been publicized in advance by the Texas Historical Commission, and we are expecting guests who may not have attended our meetings before. Please be sure to meet and greet all the newcomers and help them to feel at home with us!

## October-December Lab Nights

Lab will be held on Oct. 25, Nov. 15 & 29, and Dec. 13 (only date in December). All labs meet from 7:00-9:00 pm in Room 103, Sewell Hall, Rice University. Our current project is documenting two collections from a prehistoric coastal-margin shell midden site. **Reminder:** A credit card is necessary to access the parking lot near Sewall Hall. ## More Bernardo Work Days Scheduled for October

I have received confirmation that **TWO MORE** weekend work dates on site at Bernardo are scheduled for **October 16-17 and 30-31, 2010**. We will meet at 8:00 am each day near the caretaker's house. Please park along the ranch road and not at the dig site. Our normal work day will be 8:00-5:00 each day. Sandwich fixin's for lunch will be provided for both Saturday and Sunday.

The objective of our field work will be to continue locating evidence of the other out-buildings around

the main plantation house. We may possibly begin preliminary testing of the slave quarters located at Lake Bernardo. On October 16<sup>th</sup>, a Texas Archeology Month tour of the site will be given.

We need about 18-20 volunteers each day. If you desire to participate in this work, please contact me at [chasgordy@yahoo.com](mailto:chasgordy@yahoo.com) to confirm **which day or days** you desire to work.

## President's Message

**IMPORTANT: October Meeting** – This month's meeting will begin at 7:30 pm and will be located in the UST Doherty Library (Bldg 22); room 009 which is in the basement (has elevator access). HAS will be hosting a Texas Archeological Month program and we expect good attendance from the general public.

The month of October is not only special in recognizing Texas Archeology Month and the Texas Historical Commission, but it is also a special month for the Houston Archeology Society for a couple of reasons. First, our society has elected new officers to our board of directors to begin a new year of leadership for the Houston Archeology Society. In that regards I wish to welcome the newest officers of the board, Michael Johnston as Treasurer and Linda Gorski as Director. I look forward to their input and contribution to HAS. At the same time, I am happy to continue as your president serving with the rest of the board members which have given me much support over the past year. As outgoing board member, we thank Muriel Walker for her tireless efforts, not only this past year, but for the many years in the past which she has served HAS in many capacities. Finally, I would like to thank Ed Masten, our outgoing Treasurer.

Secondly, the month of October is important to HAS, for on October 10, 1966, we were granted our charter of incorporation by the State of Texas. The names of our incorporators were William L. Fullen (still a member to this day); Alan R. Duke; Shirley Thompson; William Caskey; and Donald R. Lewis. Although we were incorporated in 1966, HAS was really started as an unincorporated organization, with the first meeting being held on April 10, 1959, in the Roy Cullen Building of the University of Houston. Thirteen members attended that first meeting. Lucky for us, "thirteen" was not an unlucky number. I found it interesting that dues were set at \$6.00 per year. In 2009 dollars, that would be equal to \$43.67. As HAS president, I find it a privilege to serve in the footsteps of such dedicated people and a pleasure to be part of perpetuating the same purpose for which they organized almost 52 years ago.

WELCOME NEW MEMBER, Coria Connelly.

--Charlie Gordy, President
