

HOUSTON ARCHEOLOGICAL SOCIETY

Friday February 9, 1973

Houston Museum of Natural Science

Rm. 2 7:30 p.m.

Subject: "How Amateurs Help Archeology" including slides and suggestions
for the future.

Speaker: Alan Skinner

Alan Skinner is Director of the Archeology Research Program at S.M.U.
He has also been the professional archeologist two Texas Archeological
Society Summer Field Schools.

HOUSTON ARCHEOLOGICAL SOCIETY

Friday, March 9, 1973

Rm. 2 7:30 p.m.

Museum of Natural Science

Speaker: Dr. Ernest L. Lundelius, Jr.

Subject: Fossil Vertebrates at Inner Space Caverns(near Georgetown, Texas)

Dr. Lundelius, a professor in the Department of Geological Sciences at the University of Texas, has specialized in Pleistocene faunas of Australia and central Texas in order to study environments of the past.

PLEASE NOTE: The Houston Archeological Society Library, formerly housed at the Museum of Natural Science, is now temporarily located at Johnston Junior High School. If you wish to borrow a book, please contact Tom Cobb, who is librarian of the school, and an H.A.S. member.

HOUSTON ARCHEOLOGICAL SOCIETY

Friday, April 13, 1973

Rm. 2 7:30 P.M.

Museum of Natural Science

Speaker: Dr. Gregory Johnson

Subject: Current Investigations into the Origin of the State in Southwest Iran

Dr. Johnson, visiting assistant professor in the Department of Anthropology at Rice University, is interested in the evolution of the political state as exemplified by groups in early Iranian sites. He has worked at a number of sites, and will show slides.

HOUSTON ARCHEOLOGICAL SOCIETY

Barbara K. Kuether
Houston Archeological Society
3746 Arnold St.
Houston, Texas 77005

The Houston Archeological Society's library has been moved once again(!) and is now at the home of the Society's chairman, David Salzar. If you wish to borrow a book, please call 645-2589 to make arrangements.

HOUSTON ARCHEOLOGICAL SOCIETY

Museum of Natural Science

Friday, August 10, 1973

Rm. 2 7:30 p.m.

SPEAKER: Elaine Burleigh, with slide pushing by Shirley Thompson-long time members of the Houston Archeological Society and world travelers.

SUBJECT: Slide show of Mayan sites seen by Burleigh and Thompson during their latest trip, including Copan, Palenque, and Chichen Itza among others, with several Olmec sites thrown in for good measure.

NOTE: If you are interested in working on the artifacts recovered during the TAS summer field school, contact the Fullens or the Chandlers for further details, or better yet come to the meeting to hear further details concerning this activity.

LAST CALL FOR DUES FOR THE 1973-1974 YEAR. This is the last notice you will receive if you have not paid your dues. If you wish to keep in touch with the Society and its activities, send your dues now.

Dear Dick:

Sounds like you are settling in quite well. I can't believe you have already looked into the archeology scene. It was good to hear from lyou. I will pass your Ohio address and letter along to Duke for the newsletter.

HOUSTON ARCHEOLOGICAL SOCIETY

Sept. 14(Friday) Rm. 2

7:30 p.m.

Museum of Natural Science

1973
JLB

SPEAKER: Jay Sharp, former chairman of HAS, science reporter and consultant, who owns his own business which specializes in scientific media presentation.

SUBJECT: Archeological Reporting, or how to put a report together that is precise and conveys abstract material concisely and clearly. Several techniques will be demonstrated with slides and film.

Mr. Sharp, as the HAS representative to the Armond Bayou archeological project, will bring us up to date on the latest plans for the park.

RESULTS OF THE ELECTION WILL BE ANNOUNCED!

The University of Houston and the Houston Archeological Society will sponsor an eight week seminar in Texas archeology. The program will run from September 27 through November 15 at the Museum. These lectures will be held on Thursday evenings from 7:30 to 9:30 at a cost of \$30 for the entire series which will include:

Early Man in East Texas--Dee Ann Story
Archeology of the Coastal Region--Dr. Frank Hole
Archeology of the Trans-Pecos Area--David Dibble
Archeology of Central Texas--speaker not yet announced
Archeology of the Pan-Handle--Dr. Hughes
The Plains Indians--Prof. Oliver
Historic Indians and Summary--Newcomb

There will also be seminars in astronomy, conchology, and geology, also sponsored by the Department of Continuing Education, U.H. HAS members will be receiving a brochure with further details of these programs in the near future. This sounds like a great program, so do plan to attend if possible.

H O U S T O N A R C H E O L O G I C A L S O C I E T Y

Friday, November 9, 1973

Room 2--7:30 PM

MUSEUM OF NATURAL SCIENCE

SPEAKER: Dr. Frank Hole, Professor of Anthropology
Rice University

SUBJECT: Migration

Dr. Hole lived and traveled with nomadic tribes in the Luristan region of Western Iran. He will discuss information he gathered from this experience and its application to archeology. His talk will be illustrated by movies.
